6. VTT Expert Services Ltd, notified body number 0537, in accordance with Article 9 of the Council Directive 94/9/EC of March 1994, notifies that the manufacturer has a production quality system which complies to Annex IV of the Directive. Compliance has been assured by compliance with the standard EN ISO/IEC 60079-34 (2011).

7. The Production Quality Assurance guarantees conformity of the equipment with the protection concept referred in the clause 4 and the standards referred in the EC-Type Examination Certificates of the equipment. The equipment can be placed on the market and put into service if properly installed and maintained and used for its intended purpose.

8. This notification, valid until 24.1.2017 is based upon an audit report VTT-S-00443-14 and the original notification (dated 24.1.2002). This notification can be withdrawn if the manufacturer no longer satisfies to the requirements of Annex IV of the Directive. Results of periodical reassessments of the quality system are part of this notification.

9. According to Article 10 of the Directive 94/9/EC the CE marking shall be followed by the identification number 0537 identifying the notified body involved in the production stage.

The EC Type Examination certificates covered by this Notification are agreed between the Manufacturer and VTT Expert Services Ltd.
